Germany, in June 2027, will be a time to delight in the natural beauty and the charm of well-preserved medieval towns of half-timbered buildings, such as Rothenburg ob der Tauber, and tasty delights of Apple Strudel and much more. We will begin in Berlin, the Capital of Germany, where we will see the tide of history that has shaped this country. Explore, by various modes of transport - bus, boat and rail. Cruises waterways, explore mountaintop castles and the forests of Bavaria and scenic rivers. From the famous Potsdam Sanssouci Palace with its glorious gardens designed by the 19th century, Peter Joseph Lenné, to the

Mercedes Benz Car Museum in Stuttgart, to the spa town of Baden-Baden and finally the beautiful Lake Constance before departing from the Swiss city of Zurich. Not only all of this but, but how can we go to this part of Europe without having a touch of France? Is it French or is it German? Alsace, is the border region that will intrigue you with its beauty and history.

Our tour will be hallmarked by the inclusions and standard that only Olive Tree Travel gives us. So, do come along and have an adventure to remember.
